RURAL ELECTRIFICATION THROUGH PUPBLIC PRIVATE PARTNERSHIP

-POLICY BRIEF-

Prepared by:

Prof. Cuthbert Z. M. Kimambo
Associate Professor
Department of Mechanical and Industrial Engineering
College of Engineering and Technology
University of Dar es Salaam
P. O. Box 35131
Dar es Salaam, Tanzania

This is a Policy Brief that was prepared for the Tanzania Country Level Knowledge Network (CLKnet) to show the potential of and ways in which Public-Private Partnerships could be promoted and assist in addressing the existing rural electrification challenges in the country.
