Pocket Guide to the Reptiles and Amphibians of East Africa

Author(s)

Ronald I. Miller , Simon N. Stuart , Kim M. Howell

Abstract

This is a lightweight and portable guide, partly adapted from the popular and highly acclaimed A Field Guide to the Reptiles of East Africa by the same authors. Covering the most prominent 150 reptiles and 80 amphibians found
in the region (Kenya, Tanzania, Uganda, Rwanda and Burundi), with
concise text, photograph and map for each, this is a convenient and
attractive pocket guide for a diverse and often conspicuous and attractive group of animals.
